

NAPIER WALL LAMP

The popular Napier lamp series finally arrives as a wall lamp. Sleek lines and subtle styling really sets this wall lamp apart from others, and blends a sense of modern design with traditional features. Finished in Antique Brass (pictured – other finishes are available), the Napier Wall Lamp will add elegance to any interior of distinction, whether residential, commercial or hospitality. The solid brass shade creates a muted, soft glow that adds warmth to a room. Available without metal shade also.
