

## ALABASTER PETAL SHADE SINGLE WALL LIGHT

Made from brass and finished in Antique Brass the Alabaster Petal Shade Wall Light is a real statement piece.

The Alabaster petal shade subtly echoes the 'wave' effect of the lamp metalwork that has been created by the detailed machining. The antique copper finish is offset perfectly by the light, natural alabaster shades.

All finishes available.

### Dimensions

Width: 483 mm

Projection: 220 mm

Width of backplate: 125 mm
