

SWING ARM FLOOR LAMP WITH FINIAL SWITCH

This is a floor lamp that combines excellent functionality with unique and stunning aesthetics. The Swing Arm Floor Lamp has an integrated press switch at the top of the stem. The rise and fall top tube has a smooth locking collet nut which means you can set the height of the switch at your perfect height. The arm has a double swinging motion. Shown in antique brass, and also available in a wall light option.

Dimensions

Adjustable Height: 1140 mm / 1520 mm
